It's designed to put them on a path to identifying and untying the toxic knots of change that are on there way to your organization before change takes place, or already plaguing and troubling your organization after change has been implemented.

Excelling in Teamwork (Anything You Can Do — We Can Do Better)

This session builds awareness and skill in the areas of team dynamics, team problem-solving, and team decision-making. The structural and behavioral dimensions of building and leading an effective work team or task force are fully explored. You Have to F.O.C.U.S. and S-T-R-E-T-C-H for Continuous Success

(What's Required for You to Stay or Become #1)

Success is more than being good at what you do; it's about staying and being consistently cutting-edge, green and growing. Ty helps people to understand why their services, products and relationships -- or in some cases, those of their competitors -- are number one. You cannot spell SUCCESS without "U". We've all heard the importance of "best practices" and superior knowledge. So why aren't the smartest people or most informed organizations always leading the way? Or number one in their industry? This session provides original research on managing expectations, emotions and efforts, and shares what is required to stay or become number one.

Tying Into A Better YOU™

(Spending Time With the Person You Want to Become, and Becoming the Person You Desire to Be)

In this dynamic, insightful, timely, interactive and fun keynote session, Ty uses facts, case studies, personal stories, group exercises, motivation, inspiration, music and fun to communicate the importance of taking special care of "self" in order to serve and help others best. He encourages and propels you to continuously strive to perform at the highest level possible. He believes that at birth, we were all given one body and one mind, and this is where you will learn how to nurture and keep both mind and body in a green and growing state for better health, achievement, balanced living, and prosperity. Prepare for a motivating, empowering, entertaining, and fun-filled treat!

Testimonials

What Clients & Others Are Saying...

"Ty, thank you for speaking at Bowie State University's New Student Orientation. Your keynote address, 'Avoiding the Knots That Can Tie Up Your College Life' was well received by the first-year students. Not only was the session interactive and energetic, but thought provoking as well. I was especially pleased because you set the tone for the week, offering real-life suggestions to real-life situations for today's college students. One can only imagine how challenging it is to engage students and keep their attention. You accomplished both!! By the way, the evaluations from your session were all overwhelmingly positive. We look forward to working with you again next Fall."

Ms. Debra Dozier
 Assistant Director, Student Activities
 Bowie State University

"Thank you for your inspiring and value-loaded program, 'Winning Teams—Hit the Ground Running.' The combination of activities and the overall message proved to be very effective for this group of community college student leaders. I enjoyed working with you and appreciate your professional, yet very easy-to-work-with nature. We look forward to having you return in the near future."

Ms. Jamie Shyda,

 Hagerstown Community College

"I am continuously amazed at the energy and level of professionalism that you bring through your presentations for students at Coppin State University. Your ability to connect immediately and dispense relevant, cutting-edge leadership information continues to raise the bar each time we bring you back. Students and staff evaluation comments have been flattering, but more importantly filled with the appreciation for knowledge learned that can be adapted to real-life situations. I look forward to many future presentations from you to our Coppin State students."

Dr. Joann Christopher-Hicks,

What Clients & Others Are Saying...

"Mr. Howard, thank you for the outstanding job that you did as keynote speaker at Baltimore City Community College's In-Service Diversity Awareness Program. Your delivery was as excellent as the content, and the content was right on the mark. I am sure that our staff gained a great deal from your presentation, and that the lessons learned will have a lasting impact far beyond your message."

Dr. James D. Tschectelin,
 Former President
Baltimore City Community College

"Mr. Howard, on behalf of the Student Government, we would like to thank you personally for the fantastic program, 'Winning Teams Hit The Ground Running.' When I had to report to the rest of the student officers who were not able to attend, I had no negative aspects to say to them. If it weren't for people like you, the many colleges and universities around the country would not have the many effective and productive young leaders as there are today. I again, thank you, very much for everything that you have done for many young people around the nation."

Chris Martin,
 Student Government Secretary
Hagerstown Community College

"It gives me great pleasure to thank you for visiting Morgan State University's campus to speak to our talented football team. Your message was sensational and very necessary for our young football players to hear! The football team enjoyed themselves and thought it was of great motivation and inspiration leading into the new football season."

Herbert O. Parham,
 Head Assistant Football Coach
Morgan State University

"Ty, your program entitled, 'Unleash the Winner In You' should be heard by every young and young adult person today! What impressed me most was that you had a universally needed message of self-empowerment that you delivered with relevant personal stories, coupled with exciting humor. Every student, Future Business Leaders of America (FBLA) member, I talked to after your presentation, expressed to me how much they enjoyed and took away from your program. It was definitely a treat to listen to your dynamic, enlightening and inspiring keynote presentation. Keep up the great work and keep challenging all people to unleash the winners within themselves."
